Answer

Minister of State in the Ministry of CIVIL AVIATION
(Dr Mahesh Sharma)

(a) to (d): No, Madam. However, on the request of State Government of Haryana, Airports Authority of India (AAI) had carried out prefeasibility study for development of Karnal Airstrip for commercial operations. Based on the pre-feasibility study report, an additional land of 395 acres is required for development of airport with diversion of canal
and village road. However, no response in the matter was received from the State Government of Haryana.
